

This diagram illustrates the exploded view of a high-pressure pump assembly. The central component is the pump body (024), which is mounted on a base plate (006). The pump is connected to two high-pressure hoses (001) via high-pressure connectors (003). The assembly includes various fittings, valves, and a pressure gauge (011). The components are numbered as follows:

- 001: High-pressure hoses
- 002: High-pressure hose connector
- 003: High-pressure connector
- 004: High-pressure connector
- 005: High-pressure connector
- 006: Base plate
- 007: Screws
- 008: Washers
- 009: Screws
- 010: High-pressure connector
- 011: Pressure gauge
- 012: High-pressure connector
- 013: High-pressure connector
- 014: High-pressure connector
- 015-4: High-pressure connector
- 015-7: High-pressure connector
- 016: High-pressure connector
- 017: Washer
- 018: High-pressure connector
- 019: High-pressure connector
- 020: High-pressure connector
- 021: High-pressure connector
- 022: Pressure gauge
- 023: High-pressure connector
- 024: Pump body
